Approval of Minutes

Mike Marino motioned to approve minutes. Conny Santa Cruz seconded. Motion unanimously carried.

Approve School Safety Plan

- Kelly Orwig and Dr. Alzina explained the process of writing and how to gain approval for the school safety plan. Our safety plan has been sent to Montecito Fire as well as law enforcement for approval.
- Cold Spring School must return the key to have access to Westmont through a pass through corridor in the case of an evacuation. Therefore, Dr. Alzina will be investigating an alternate route to the evacuation site.
- Dr. Alzina and Kelly Orwig attended a training to be trained on school safety plans. As a result, the new safety plan reflects a "universal language" to support students and law enforcement to know how to communicate which procedure is being implemented. Specifically, the phrase "lock down" vs "lock out".
- Additionally, resources for supporting students through trauma is included in the updated safety plan, as well as a storm readiness update and plan.
- Cold Spring School is no longer in an evacuation zone, however, if necessary, the Goleta El Rancho campus remains open, should we need to relocate school.
- The current threshold for hourly rainfall has increased from .5 in/hr to .8in/hr.

- Health and fitness goals included 100 mile club, 5th grade physical fitness goals, and incorporating a “running across the United States” program.

Cinde Boller motioned to approve the school safety plan. Kelly Wheeler seconded. The motion was unanimously approved.

Title I, Title II. And Title IV

- CSS qualifies for Title IV funding, earning our school an additional \$10,000 to support our student intervention. This will be combined with our Title I funds to support our Reading Intervention program.
- Angela D’Amour motioned to approved using Title IV funds to be used for Reading Intervention. Johanna Thorpe Seconded. Motion unanimously approved.

LCAP Update:

- New CA Dashboard will be live and ready to view
- Single plan for student achievement will be completed this year, but in following years, this item will be met through LCAP.

Cinde Boller motioned to adjourn the meeting. Angela D’Amour seconded. Motion unanimously carried.
