# CSSD Evacuation Plan

## Storm Readiness

School Site Council/LCAP Committee  
Superintendent/Principal Dr. Amy M. Alzina

April 4, 2018

# Debris Flow Risk Areas: Extreme Risk and High Risk

# 72-Hour Storm Evacuation Timeline

## 72-Hour Storm Evacuation Timeline

### Pre-Evacuation Advisory Issued

Community members should begin planning for potential evacuations. If at any time you feel threatened, take immediate action. Do not wait for a notification.

72 Hours

### Recommended Evacuation Warning

Community members with access or functional needs or large animals should evacuate now

48 Hours

### Mandatory Evacuation Order Issued

Community members in Extreme and High Risk Areas should evacuate now

24 Hours

12 Hours

### Mandatory Evacuation Order Becomes Effective

Community members in Extreme and High Risk Areas should have left the area

### Storm Arrives

Storm capable of producing debris flows similar to the 1/9 debris flow event

Storms Arrives

ReadySBC.org

# An Event Happens with Little or No Warning

A Debris Flow or Flood may cause the area to be inundated with mud, rocks, vegetation and/or water. This can either cause destruction or isolate the school.

- An event that happens with little or no warning
  - Call 911
  - Move students to a safe refuge area: Classrooms and/or auditorium
  - Maintain accountability of students and staff
  - Alert others on your way but do not stop until you are out of harm's way.
  - Be prepared to move if necessary
  - Communicate with parents the status of the school and students via ParentSquare Smart Alert
  - Encourage parents to stay put and stay safe

# An Evacuation Order or Warning has been issued by authorities during non-school hours

- Superintendent/principal will notify parents that school will be closed
- Superintendent/principal and director of facilities will Secure the School
- Secure an alternate campus to hold school: **El Rancho Campus in Goleta (7421 Mirano Dr., Goleta, CA)**

# An Evacuation Order or Warning has been issued by authorities during school hours

- If the order is issued and does not occur for **more than 4 hours**, then notify parents to pick up their student
- For students whose parents cannot pick up their student within 2 hours. Take the student to the alternative pick-up site outside of the Evacuation Order and Warning Area: **Franklin Elementary School (1111 E. Mason Street, Santa Barbara, CA)**
- Maintain accountability of students and staff
- Secure School

# If the order is to occur in **less than 2 hours**, notify parents to pick up their student immediately

- For students whose parents cannot pick up their student within 1 hour. Staff will take students to the alternative pick-up site outside of the Evacuation Order and Warning Area: **Franklin Elementary School (1111 E. Mason Street, Santa Barbara, CA)**
- Maintain accountability of students and staff
- Secure School

# Be Storm Ready

- ReadySBC.org

## Aware & Prepare Alerts

It is critical that people in Santa Barbara County register to receive emergency alerts. Sign up at [www.AwareAndPrepare.org](http://www.AwareAndPrepare.org). If we can't reach you, we can't alert you.

A screenshot of the Santa Barbara County "Be Storm Ready" website. The header includes the Santa Barbara County logo, the text "READY", and navigation links: "Storm Readiness +", "News", "Property +", "Health &amp; Safety +", "More Resources +", "Roads", and "Maps". A phone number "For Information, call 833-688-5551" is on the right. Below the header, the page title "Storm Readiness" is displayed. A breadcrumb trail shows "Home → Storm Readiness". The main content area features a large image of a river with the text "BE STORM READY" and "STORM PREPAREDNESS" overlaid. Below the image, the section "Be Storm Ready" is titled, followed by a paragraph explaining the danger of winter storms and the importance of being prepared. A link to an "interactive map" is provided. Below this, a section titled "10 Steps to Protect Yourself Now" includes a paragraph about the threat of flash floods and a button labeled "Read the 10 Steps You Should Take Now". On the right side of the page, a section titled "Aware &amp; Prepare Alerts" explains the critical need to register for emergency alerts and provides the website "www.AwareAndPrepare.org". At the bottom right, there is a red button with a white pencil icon and the text "Register For Alerts".

## Debris Flow or Flood

A Debris Flow or Flood may cause the area to be inundated with mud, rocks, vegetation and/or water. This can either cause destruction or isolate the school.
