Comprehensive School Safety Plan

A brief discussion was held regarding the safety plan. The plan has recently been updated by Dr. Amy Alzina. The 30 Second Emergency Plan was shared with the Committee. Yuri Calderon presented information on the new CrisisGo app that will be implemented by the end of the calendar year. Justin Pierce and Johanna Thorpe also shared how the door locks work as it relates to a campus-wide lockdown.

LCAP Update

Yuri Calderon shared that the new LCAP form has not been approved by the State Board of Education. We have attended several meetings at the Santa Barbara County Education Office related to planning for the new format and we expect to be trained on the new format in January. The three-year plan that we are currently following was initially prepared by a predecessor to Dr. Alzina. It has been modified slightly over the last two year. This will be our first opportunity to draft a plan from scratch for the next three years. We expect to be working on the LCAP in the early Spring 2020.

No Future Agenda Items were identified

Justin Pierce moved to adjourn the meeting at 8:00 AM. Johanna Thorpe seconded the motion and it carried unanimously.
